

Meeting Minutes
12th FP2020 Country Committee Meeting
Thursday, 8 October 2015
JS Luwansa Hotel, Jakarta

Opening Remarks

- Mr. Jose Ferraris opened the meeting by welcoming all participants of the 12th FP2020 country committee meeting, and thanking them for their supports and active participations. There will be two presentations: FP2020 country report and ICFP update, both were important because the country report is going to be submitted to the FP2020 HQ at the Reference Group meeting (15-19 October 2015 in Washington DC) and the ICFP update will be the last update report prior to the event.
- Ms. Zohra Balsara delivered her opening remarks; highlighting Indonesia is a great example of functioning FP2020 mechanism. We will call upon the consultation on how we implemented this successful lesson learn and results. We have products and will be used for advocacy.
- Mr. Surya Chandra Surapaty welcomed all participants in his opening remarks. He also noted that the FP2020 is an important initiative to support as it strives to lower the number of unmet needs to FP information, services, and supply. He hoped that the country committee mechanism could be the best forum where various issues, challenges, updates, lesson learned and new initiatives on FP might be shared and discussed, and solutions and actions could be taken as the direction for the future.
- Mr. Surya Chandra Surapaty went through the presentations agenda. Ibu Ambar was going to present the updates on FP2020 Indonesia country progress report. This report is going to be submitted during the Reference Group meeting held in Washington DC from 15-17 October 2015. Due to prioritizing in the preparation of ICFP, Mr. Surya Chandra himself nor ibu Ambar will be able to attend the meeting. He invited for feedbacks from the meeting participants in order to finalize the report. Following this, ibu Fathonah is going to present updates on ICFP, which will be an important international event as an opportunity for Indonesia to take center stage in sharing experience on various aspects of FP program implemented. Mr. Surya Chandra finally invited participants to actively discuss for the success of the meeting.
- Mr. Jose Ferraris invited all participants to introduce themselves prior to inviting speakers to present.

Presentation: Updating the FP2020 Country Progress Report, by Ms. Ambar Rahayu

- Ms. Ambar Rahayu presented the FP2020 Country Progress Report. She started by highlighting the importance of the report and role of all participants to give inputs in finalizing the report.
- There are three big areas commitment covered by the report: policy and political, financial, and program and service delivery commitments. She continued by explaining the country committee mechanism in Indonesia and how she hoped the number of meeting participants would

gradually increases from time to time. Some success and challenges on fostering the committee was next to present.

- Moving to FP programs conducted in Indonesia, Ms. Ambar presented some projects funded by Bill and Melinda Gates Foundations implemented by partners, namely the JHUCCP, JHPIEGO, DKT, JSI, and Avenir health. She then followed it by presenting some progress reports of the preparation of ICFP, UNFPA supports, and the success of FP2020 country committee Indonesia to look up to.
- Ms. Ambar Rahayu closed her presentation by once again inviting feedbacks, comments, and inputs from participants on the report. She will finalize it in few days' time and then submit it to FP2020 HQ.
- Due to time limitation, discussion on this topic was not conducted, instead presentation would be circulated the following day for any inputs from participants.

Presentation: ICFP update, by Ms. Siti Fathonah

- Ms. Siti Fathonah opened the presentation by noting that the update she was going to present in the meeting will be the last update prior to the event next month.
- The ICFP schedule was presented with highlights on the Indonesian Session which will be held on the second day of the conference (November 10, 2015) at 2:30-3:50 PM.
